## **Reports**

Trustees Mark Elliott reported on the last meeting – damaged bollards to be replaced with a gate; a request to the Buildings Sub-Committee for an estimate of the cost of the adjustments to the tower; update on the refurbishment of the school building, now called Christ Church Lower Mews.

Local Ministry Group Angela Townshend to be helping out at St Stephen's with pastoral services during Philip Hawthorn's operation and recovery after Easter.

Buildings Bob Siderfin thanked Sarah Kerr for giving the report at last meeting. The draft budget is only educated guesses. Bells have had a full review by the Diocesan advisor and have been discussed by Trustees. Exterior stonework is to be repaired on the South side of the church. There is a review of the building to decide on how to make a disabled toilet to conform to legal requirements. The tiles in the sanctuary are to be investigated as to what they are made of and if possible cleaned. The next meeting is Thursday March 14th to further plans for the temporary reordering.  
The budget to go to Trustees

Deanery Synod Andrew Sillett reported on the meeting of March 5th at St Mark's School. A copy of the report will distributed separately.

Liturgy A draft service for Lent has been used, one with all the words and one with the president's words omitted. The liturgy group wants comments. There was some discussion about a screen and projector for occasional use. To be brought back to the new Council in May. Next Agenda
